Re: Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322 and 1.323.

Respecting, the alleged error in your request, the proposed change to claim 3 changes the scope of the claim and therefore is not an error correctable via a certificate of correction (see MPEP 1481 [-3]). This should be corrected via Reissue. There being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provision of 1.322 or 1.323. No correction is in order here.

In view of the foregoing, your request in this matter is hereby denied.

Future correspondence concerning this matter should be filed and directed to Decisions & Certificates of Correction Branch.
